

Assembly Solutions INCORPORATED

Your Partner in Progress

Automated Industrial Systems

- Experts in O-ring, Seals, and Retainer Ring Installation Equipment
- Handheld and Automated Installations Cells

Baltec Corporation

- Radial Riveting, Servo Riveting, Orbital Riveting and Roller Forming Units
- Benchtop and Semi-Automated Systems

Cincinnati Test Systems

- North America's Leader for Leak Test Instrumentation and Sealing Solutions
- Headquartered in Cincinnati, OH. Technical Service Office in Columbia, KY

Direct Conveyors

- Standard and Custom Low Profile Conveyance Solutions: Flat Belt, Timing Belt, Modular Plastic Belt, Pallet Lines & more
- Headquartered in Franklin, IN

Extol Incorporated

- Hot Plate Welders, Laser Welders, Plastic Staking, Infrared Welding, Spin Welding
- Engineering Services, 3D Printing and Post Processing Capabilities

Visumatic

- Industry Experts Supplying Automated Fastener Feeding and Driving Equipment
- Headquartered in Lexington, KY

Weiss North America

- Rotary Dials, Linear Transfer Systems, Pick & Place Components, Gantry Systems
- Added Value Machining Capabilities: Custom Tool Plates and Machine Bases

1885 Dixie Highway, Fort Wright, KY 41011 / www.assemblysolutionsinc.com

Your Partner in Progress

- Automatic Insertion Equipment for Seals, O-Rings and Retainer Rings
- Handheld and Automated Insertion Systems

- Hot Plate Servo Driven Welder, Laser Welder, Staking, Spin Welder
- Turnkey systems for Assembling, Testing and Marking Plastic Products
- 3D Printing for Prototype and Tooling/Fixtures

- Semi-Automated Custom Work Cells and Benchtop Systems
- Advanced Controls and Process Monitoring Using HPP25 Controller

- Custom Systems and Integration Packages for Driving Screws, Bolts, Clips, Nuts, Pins and More
- Handheld Systems, Fixed Mounted Systems and Robotic Systems

- Instrument Controlled Test Stands are Cost Effective Test Solutions
- Pressure Decay, Flow Test, Vacuum Decay, Blockage Test, Function Test
- Semi Automated and Fully Automated Test Systems
